Modest annual tax-levy increases support:

- Long-term fiscal planning and stability
 - Sustainability of programming over time
 - 80% of the annual budget is for programming
 - Rising costs of healthcare (10% annually)
 - In a typical year, 88% of school district revenue is from state aid and property taxes

What would the proposed tax-levy increase mean for homeowners?

If voters approve the budget proposal, here is an example of what a 0.95% tax-levy increase would mean for homeowners:

School Tax Relief Program (STAR)

Without STAR exemption	\$ 3,287	\$ 3,318	\$ 31

With Enhanced STAR for seniors	\$ 1,917	\$ 1,948	\$ 31

* Estimated school tax bill for a typical taxpayer whose home is valued at \$150,000.
The final tax rate will be set in late summer after the City of Albany finalizes its tax assessments and those assessments are reviewed by the New York State Office of Real Property Tax Services.

One-time Federal COVID-19 Funds

Separate from the budget proposal, the district plans to invest a total of \$46.3 million from two federal COVID-19 relief programs to further support strategic rebuilding efforts over the next 2-3 years.

- **Coronavirus Response and Relief Supplemental Appropriations (CRRSA)**
 - \$13.5 million
 - Available through September 2023

- **American Recovery Plan (ARP)**
 - \$32.8 million
 - Available through September 2024
 - ARP investments require a community engagement process. The district is committed to providing opportunities for community input regarding the use of these funds
 - Community forums will be held in late May/early June

No additional impact on taxes with CRRSA or ARP investments

One-time Federal COVID-19 Funds

Planned new investments for 2021-22 using COVID-19 relief funds:

- Expanding the Albany International Center (K-12)
- Expanding the Dual Language Program
- Enhancing summer school and after-school programming
- Increasing music staffing to two FTEs above 2019-20 staffing levels
- Restoring instrumental music opportunities for third grade
- Supporting additional instrumental music lessons in grades 4-6

What Happens if the Budget is Not Approved?

If a majority of voters does not approve the budget on May 18, state law gives the Board of Education three options:

- Put up the same proposal for another vote
- Present a revised budget for voter consideration
- Adopt a contingency budget

If the board opted for a second vote and it also failed, state law would require the district to adopt a contingency budget.

A contingency budget:

- Requires cuts to specific areas, including potential cuts to staffing and programs
- Prohibits spending on student supplies
- Requires community groups to pay for the use of school buildings
