

2022–2023  
CALENDAR

# WELCOME TO THE 2022-2023 SCHOOL YEAR!

September is a time of great anticipation and excitement. That promise of a fresh start in a new school year stays with us, no matter how many years have passed since we were students ourselves.

City School District of Albany faculty and staff will carry this enthusiasm into every classroom, cafeteria and hallway throughout the 2022-23 school year as they welcome both returning and new students each day.

Our vision, mission and goals as a district have not changed despite the challenges faced by our community, our country and our world during the COVID-19 pandemic.

We will continue to work in partnership with our diverse community to engage every learner in a robust educational program designed to provide the knowledge and skills necessary for success.

The pandemic has starkly highlighted the importance of meeting students' social and emotional needs in tandem with meeting their academic needs.

The district continues to invest in staffing and resources to assure that every student has the appropriate support to meet their needs, whatever they may be.

We strive every day to be a district of excellence that provides equitable opportunities. On a parallel track, we are in the process of operationalizing equity throughout our school district.

This means we will embrace equity as a core value that is reflected in all parts of our programs and operations, and in our vision, mission and goals.

When you page through this calendar, you will see faces that reflect our diverse community, the heart of everything we do.

These exceptional young people are representative of the talent and commitment of our student body. They represent our belief in the potential of every student and our shared desire to raise achievement for all.

Let's celebrate the start of the new school year.

And, as the year unfolds, let's work together – students, faculty and staff, families and community members – to keep that back-to-school enthusiasm shining throughout the year.

Yours in education,

**Kaweeda G. Adams**  
Superintendent

# BOARD OF EDUCATION

**Vickie Smith**, President

**Anne Savage**, Vice President

**Sridar Chittur, Ph.D.**, Secretary

**Hassan I. Elminyawi**

**Ellen Krejci**

**Damarise Mann**

**Tabetha Wilson**

Our Board of Education typically meets on the first and third Thursdays of every month. The first meeting features the board's "action" agenda and the second is a roundtable discussion of different topics. All board meetings begin at 6:30 p.m., unless otherwise noted.

A specific time for public comment is set aside at each board meeting. This gives the public an opportunity to address the board and express opinions or ask questions about school district matters, and reserves the rest of the meeting for uninterrupted deliberation and action.

The board president may grant speakers permission to make brief statements about specific agenda items at times other than the periods scheduled for public comment.

Public comment can be provided in a variety of ways, including in-person and virtually, or via an online submission form, voicemail, email or postal mail. Visit [albanyschools.org/publiccomment](https://albanyschools.org/publiccomment) or contact our board clerk at (518) 475-6015 for additional information.

Board elections are held on the third Tuesday in May each year, in conjunction with the annual budget vote. Please contact the board clerk for more information about running for the board.

## ABOUT THIS CALENDAR

The students highlighted in this calendar are selected for being exemplary in a wide variety of ways.

They are ambassadors of their schools, our families and our school community as a whole.

They represent the extraordinary potential of the 9,000 students we serve, and we are honored to recognize them.

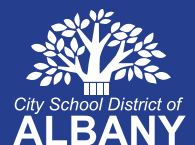

The dates included in this calendar are generally district-level events, including recess days, Board of Education meetings, marking period dates, athletics, and lottery and registration deadlines.

Building-specific events (along with the most up-to-date district events) can be found at [albanyschools.org](https://albanyschools.org) on the individual school pages. Our online calendar also allows you to sync events to your own.

We hope you enjoy this calendar, and congratulations to all of our students who are featured!
