## Guidance for Teams

### Template

Any part of the plan can be collapsed or expanded by clicking on the triangle next to the blue headings. You can also move through the sections of the plan by accessing the Navigation Pane in Microsoft Word.

### Commitments

Prior to working on this document, school teams should be sure to complete the following activities:

- **Envision:** Explore its vision, values, and aspirations
- **Analyze:** Review and analyze internal and external data, including survey data, and reflect on systems and structures
- **Listen:** Conducting student interviews

Following those activities, school teams should complete the SCEP Planning Document to make connections between the activities above and consider potential next steps to prioritize in the upcoming year as the team considers **“What should we prioritize to support our students and work toward the school we wish to be?”**

The team should identify 2 to 4 Commitments for the 2023-24 school year. For each Commitment, the team will identify strategies that will advance these Commitments and benchmarks to determine if the school is on track with its implementation. **School teams will need to ensure that at least one commitment is aligned to teaching and learning.**

### Success Criteria and Benchmark Targets

After school teams identify their Commitments, they should consider success criteria and benchmarks that will help them determine if they are making sufficient progress toward their Commitment throughout the year. Each Commitment will have at least one end-of-the-year goal, a mid-year benchmark, strategies that will allow the school to reach those goals and benchmarks, early progress milestones, and spring survey targets.

The plan template is designed with the intention the school teams will return to their plan throughout the year and make updates when necessary. As part of the Success Criteria for each Commitment, there is a section for the team to update during the year and input the data they ended up seeing next to the target they originally identified. Teams should keep this section blank when writing the plan and anticipate bringing the team back together throughout the upcoming year to gauge the success of the plan.

### Strategies

In conjunction with identifying benchmarks, teams should consider strategies that will allow the school to reach these benchmarks and advance that commitment.

## COMMITMENT I-ELA/Social Studies

### Our Commitment

<p><b>What is one Commitment we will promote for 2023-24?</b></p>	<p><b>At ASH, we commit to providing all students with high-quality opportunities to engage in the work of the lesson and perform grade-level tasks independent of the teacher during small group and whole class instructional time.</b></p>
<p><b>Why are we making this Commitment?</b></p> <p><i>Things to potentially take into consideration when crafting this response:</i></p> <ul style="list-style-type: none"> <li>• <i>How does this Commitment fit into what we envision for the school?</i></li> <li>• <i>How does this Commitment relate to what we heard when listening to others?</i></li> <li>• <i>How does this Commitment connect to what we observed through analysis?</i></li> </ul>	<p><b>Based on 2022/2023 walk-through and classroom visit data, students should be doing the work of the lesson rather than following along while the teacher does the work.</b></p> <p><b>Based on the 2022/2023 DTSDE Survey, only 58% of students felt that the curriculum is relevant to their interests and background.</b></p> <p><b>Based on 2022/2023 classroom visit data which showed teachers engaging in the heavy lift of the lesson, it became clear that we need to refine small group instruction to create meaningful independent work where students are engaged in authentic reading and writing tasks on their own or in pairs.</b></p> <p><b>The District is integrating a new social studies resource and curriculum so teachers will need support in how to implement high quality instructional practices to ensure students engage in the work of the lesson across content areas.</b></p>

### Progress Targets

By the end of the year, we will look to the see the following occur:

	What data will we be reviewing?	What do we hope to see when we review that data?	What we ended up seeing <i>(complete at the end of the year)</i>

Commitment 1 ELA/ Social Studies

	<ul style="list-style-type: none"> <li>What resources (Schedule, Space, Money, Processes, Individuals) are necessary to support these strategies?</li> </ul>					
<b>August 16th</b>	The Building Leadership Team will develop a professional development plan using the instructional playbook, outlining the goals and objectives for ELA CPT's that would maximize student voice and rigorous independent tasks.					
<b>September 1st</b>	K-2 teachers will participate in review and planning of foundational skills and phonemic awareness instructional routines (Heggerty). This will occur during initial CPT meetings with the goal of providing teachers with the instructional routines needed to engage students in the work of the lesson.					
<b>September 22nd</b>	1-5 teachers and reading teachers will plan and implement Tier 1 plans using Spring benchmark data (identification of small groups for both double dose and <b><i>Accelerated Intervention block</i></b> ) focused on flexible grouping and instructional strategies with the reading teacher, ELA coach and classroom teacher(s). This will occur during initial CPT meetings.					
<b>October 27th</b>	ELA coach will provide professional development on how to implement the new Social Studies text sets to all teachers in grades 3-5. This professional development will focus on utilizing accountable talk strategies to increase student voice with meaningful tasks across content areas.					
<b>October-November</b>	ELA coach will co-teach Social Studies strategies in grades 3 -5 during ELA core block. Debrief will occur during CPT time.					

Commitment 1 ELA/ Social Studies

<b>October-December</b>	ELA coach will provide differentiated coaching cycles based on demonstrated teacher need which will occur with a targeted group of teachers around integration of foundational skills scope and sequence, Wonders unit plans (including Text Dependent Questions , TDQs),and grade level writing.					
<b>October-December</b>	In CPT, teachers will focus on Core unit planning where teachers guide students in discussion using accountable talk and question-stems.					
<b>October-December</b>	Building leaders and instructional supervisors will conduct weekly classroom visits on established building-wide accountable talk norms and explicit scaffolding strategies to increase student ownership and access to grade level text. Visits will highlight how students are working independently on grade-level assignments. The trends of visitation will be shared on a bi-weekly basis through weekly updates and principal PDs.					

We believe we will be on track to meet our Mid-Year Benchmark(s) if six to ten weeks into the school year, we are able to reach the following Early Progress Milestones:

<b>Early Progress Milestones</b>	<b>What data will we be reviewing?</b>	<b>What do we hope to see when we review that data? (<i>Identify Quantitative Data or Qualitative Descriptors in this space</i>)</b>	<b>What we ended up seeing (<i>complete six to ten weeks into the school year</i>)</b>

Commitment 1 ELA/ Social Studies

Student Data	Unit Assessments	50% of students in grades 2 - 5 will receive 2 full points in the writing section on the trimester 1 ELA assessment.	
	Lexia Units Completed	Students will track how many units they complete by the mid-year point. This will be tracked by classroom on their Lexia Boards	
Adult/Schoolwide Behaviors and Practices	Classroom Visits	80% of classroom teachers will co-teach a lesson with their reading teacher or ELA coach by November 15th.	
Student Behaviors and Practices	Classroom Visits	Student-led conversations will be evident in 80% of classroom visits.	

We believe achieving the following Mid-Year Benchmark(s) will give us good insight into our ability to reach our year-end goal:

	What data will we be reviewing?	What do we hope to see when we review that data?	What we ended up seeing <i>(complete when reviewing mid-year data)</i>

January	During CPT, teachers will analyze Winter Benchmark data and will regroup learners within the <b><i>Enrichment, Acceleration and Intervention (EAI) block.</i></b>					
January -June	With the support of the ELA coach, teachers and reading teachers will continue to meet for 8 weeks to review all data points to update Tier 1 plans; identify targeted strategies using the instructional playbook; and determine how and when data will be progress monitored.					
January -June	ELA Coach, reading teachers, reading TA's, ENL teachers and classroom teachers will plan the structures for meaningful independent work where students are engaged in authentic reading and writing tasks on their own or in pairs throughout the <b><i>EAI.</i></b> These instructional resources will be aligned with the Tier 1 plans and application of Tier 1 skills.					

Commitment 1 ELA/ Social Studies

<p>March -June</p>	<p>Building leaders will conduct weekly classroom visits around the <b>EAI block</b> to ensure all students are receiving differentiated instruction that align to the skills, conceptual understanding, and grade level application they need to access current grade level instruction.</p>					
<p>January - June</p>	<p>ELA Coach will conduct coaching cycles with a targeted group of teachers around integration of the <b>EAI block</b>.</p>					
<p>April -May</p>	<p>School leaders will engage in targeted walkthroughs that align with coaching cycles, to observe implementation of instruction aligned to the coaching cycle. Feedback from walkthroughs will be provided to teachers with targeted feedback and next steps.</p>					

## COMMITMENT 2-Math/Science

### Our Commitment/ Root Cause

<p><b>What is one Commitment we will promote for 2023-24?</b></p>	<p>At ASH, we commit to providing all students with high quality, equitable opportunities to engage in learning through problem solving.</p>
<p><b>Why are we making this Commitment?</b></p> <p><i>Things to potentially take into consideration when crafting this response:</i></p> <ul style="list-style-type: none"> <li>• <i>How does this Commitment fit into what we envision for the school?</i></li> <li>• <i>How does this Commitment relate to what we heard when listening to others?</i></li> <li>• <i>How does this Commitment connect to what we observed through analysis?</i></li> </ul>	<p>Our commitment for the 2023-2024 academic year is that all K-5 teachers will receive professional development and coaching support to adopt and implement the new Illustrative Mathematics as the primary Core resource. Teachers will use the new curriculum resource to effectively engage all learners in grade-level standards.</p> <p>Engaging all students in problem solving strategies utilizing the LED framework will require us to plan for and implement grade-level scaffolds which support both language acquisition and build content knowledge.</p> <p>Based on the 2022/2023 DTSDE Survey, only 58% of students felt that the curriculum is relevant to their interests and background.</p>

## COMMITMENT 3- Attendance

### Our Commitment

<p><b>What is one Commitment we will promote for 2023-24?</b></p>	<p>At ASH, we commit to 95% of all students being present every healthy day with a strategic focus on increasing the attendance of our self-contained population.</p>
<p><b>Why are we making this Commitment?</b></p> <p><i>Things to potentially take into consideration when crafting this response:</i></p> <ul style="list-style-type: none"> <li>• <i>How does this Commitment fit into what we envision for the school?</i></li> <li>• <i>How does this Commitment relate to what we heard when listening to others?</i></li> <li>• <i>How does this Commitment connect to what we observed through analysis?</i></li> </ul>	<p><b>*93% of students were present every healthy-day</b>  <b>*39% of self-contained students were chronic</b>  <b>*Currently, our chronic absenteeism rate is 22%</b>  <b>*27% of K students were chronic in 2022-2023. ASH attendance team will utilize targeted interventions that focus on decreasing this cohort of students to less than 18%.</b></p>

### Progress Targets

By the end of the year, we will look to see the following occur:

	What data will we be reviewing?	What do we hope to see when we review that data?	What we ended up seeing <i>(complete at the end of the year)</i>
<p><b>End-Of-The-Year Goals</b></p>	<p>Chronic Absenteeism Rate</p>	<p>A decrease by 5% in our chronic absenteeism rate for all students from 22% to 17%.</p>

<b>September</b>	Kick off the School year Attendance Challenge! Utilizing the point system for attendance. Classes with highest points by the end of September will get a reward.					
<b>September</b>	Home school coordinator will complete preventive home visits for students from the high priority summer attendance list highlighting engagement strategies and positive interventions that have increased student attendance.					
<b>September-December</b>	Home school coordinator will attend the last fifteen minutes of Special Education Self Contained CPT time each week to discuss attendance concerns and interventions needed for targeted students. After three absences within a month, HSC and the district attendance teacher will coordinate to do a home visit.					
<b>September-December</b>	Assistant principal and home school coordinator will meet weekly with the Attendance Team to analyze chronically absent data, monitor trends, and create student action plans based on Tier levels of support. (Tier 1 all students, Tier 2 5-7% absences, Tier 3 greater than 7% absences).					
<b>September-December</b>	Assistant principal will review and provide attendance protocols to the Attendance Committee outlining interventions/supports. If a student is

## COMMITMENT 4- SEL

### Our Commitment

<p><b>What is one Commitment we will promote for 2023-24?</b></p>	<p>At ASH, we commit to working with our Social Emotional Behavioral (SEB) team, administration, and teachers to ensure that we continue to implement RULER with fidelity across all grade levels. Teachers and members of the SEB team will lead lessons on the Blueprint to resolve peer to peer or student to teacher conflict and the Meta Moment to provide explicit strategies for regulating emotions. Additionally, community circles will be used as a core routine during SEL blocks to provide spaces for students to reflect on the use of these anchors.</p>
<p><b>Why are we making this Commitment?</b></p> <p><i>Things to potentially take into consideration when crafting this response:</i></p> <ul style="list-style-type: none"> <li>• <i>How does this Commitment fit into what we envision for the school?</i></li> <li>• <i>How does this Commitment relate to what we heard when listening to others?</i></li> <li>• <i>How does this Commitment connect to what we observed through analysis?</i></li> </ul>	<p><b>*We believe that by continuing to commit to RULER being implemented with fidelity it will lead to a decrease in ODR's, focus-room visits, and students falling below points as teachers increase their capacity on implementing the lessons.</b></p> <p><b>*During the 2022-23 academic year, through the use of the RULER mood meter and class/school charters we observed more students and staff effectively identifying emotions and leveraging the established vocabulary for emotions from the RULER curriculum.</b></p> <p><b>*We believe it is essential that staff and students respect each other's voices and listen to each other's perspectives in order for all to feel part of the school community.</b></p> <p><b>*50% of our building staff and 70.6% of families believe students if in a conflict/disagreement, are able to resolve it without anger</b></p>

### Progress Targets

## Evidence-Based Intervention

All CSI and TSI schools must implement at least one evidence-based intervention as part of its SCEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. More information can be found at: <http://www.nysed.gov/accountability/evidence-based-interventions>

Schools may choose **one of three options** for identifying their evidence-based intervention:

**Option 1:** Selecting a strategy from the **State-Supported Evidence Based Strategies** located at: <http://www.nysed.gov/accountability/state-supported-evidence-based-strategies>

**Option 2:** Selecting an evidence-based intervention **identified in one of three clearinghouses:** What Works Clearinghouse, Social Programs That Work, or Blueprints for Healthy Youth Development

**Option 3:** Reviewing research to identify its own evidence-based intervention that meets the criteria for ESSA evidence-based intervention Tier 1, Tier 2, or Tier 3 found at: <http://www.nysed.gov/accountability/evidence-based-interventions>

**Directions:** Place an "X" in the box next to the path the school has chosen for identifying its evidence-based intervention and follow the corresponding directions for that path.

### X State-Supported Evidence Based Strategy

If "X" is marked above, provide responses to the prompts below to identify the strategy and the Commitment(s) it will support:

<b>Evidence-Based Intervention Strategy Identified</b>	<b>Coaching</b>
<b>We envision that this Evidence-Based Intervention will support the following Commitment(s)</b>	Commitment 1-ELA/SS, Commitment 2-Math/Science
<b>How does this evidence-based intervention connect to what the team learned when exploring the Envision/Analyze/Listen process?</b>	Teachers need continued support to learn and implement curriculum and develop scaffolds to ensure access to grade level standards.

## Our Team's Process

### Background

NYSED requires that the SCEP is developed in consultation with parents and school staff, and in accordance with §100.11 of Commissioner's Regulations. All schools are expected to follow the guidelines outlined in the document "Assembling Your Improvement Planning Team" found at:

<https://www.nysed.gov/sites/default/files/programs/accountability/assembling-your-improvement-planning-team.pdf>. This section outlines how we worked together to develop our plan.

### Team Members

Use the space below to identify the members of the SCEP team and their role (e.g., teacher, assistant principal, parent).

Name	Role
Caroline Adam	Classroom Teacher
Regina Butler	Classroom Teacher
Marie Culihan	Principal
Joshua Singletary	Parent
Lisa Fruscio	Classroom Teacher
Deah Postiglione	Classroom Teacher
Lena Ferrari	Classroom Teacher
Paula Staples	Classroom Teacher
Susannah Sheehan	Classroom Teacher
Jen Oertel	Classroom Teacher
Stefania Sharpe	Reading Teacher
Sean McGraw	Math Interventionist
Kelly Wojewodzic	Math Coach
Glenn Westfall	Assistant Principal
Tara McLeod	Home School Coordinator
Abby Kennedy	Classroom Teacher
Lauren Devery	Reading Coach

## Our Team's Steps

Our plan is the result of collaborating to complete several distinct steps:

1. **Envision:** Exploring the Vision, Values and Aspirations for the school
2. **Analyze:** Analyzing Data
3. **Analyze:** Analyzing Survey Data
4. **Analyze:** Completing and Discussing the Tenet 1 Inventory
5. **Listen:** Interviewing Students
6. **Putting it all Together:** Completing the SCEP Planning Document
7. **Writing the Plan**

## Meeting Dates

We completed the steps above across multiple meetings. Below is a list of dates we met as a team and what occurred during those meetings.

Meeting Date	Envision: Exploring the Vision, Values and Aspirations for the school	Analyze: Internal and External Data	Analyze: Survey Data	Analyze: Completing and Discussing the Tenet 1 Inventory	Listen: Interviewing Students	Putting it all Together: Completing the SCEP Planning Document	Writing the Plan

## Next Steps

### Next Steps

1. **Sharing the Plan:**
  - a. **Schools in the CSI model:** As you develop your plan, please feel free to share the plan with your NYSED liaison for input when it would be helpful. When the SCEP team is satisfied with the plan, please indicate to your liaison that the school is ready to share its full plan for approval. Plans should be shared by July 15, 2023.
  - b. **Schools in the ATSI model and TSI model:** When your plan is ready for review, please share the plan with your District, which will approve your plan. Plans will need to be approved before the first day of the 2023-24 school year.
  - c. **All Schools:** Ensure that the District (Superintendent or designee) and local Board of Education have approved the plan and that the plan is posted on the district website.
2. **Implementing the Plan** (for all schools):
  - a. Ensure that the plan is implemented no later than the first day of school.
  - b. Monitor implementation closely and adjust as needed.
  - c. Ensure that there is professional development provided to support the strategic efforts described within this plan.
  - d. Work with the district in developing the 1003 Title I School Improvement Grant application designed to support the implementation of the activities identified in the school and district plan.
