

Tell us what you think.

The City School District of Albany wants your feedback on the Student Code of Conduct.

In addition to hearing from you, we will discuss what's in the 2018-19 Code of Conduct, feedback we've heard throughout the year and address your questions and ideas for implementation. Please join us for either the meetings below, and feel free to contact the Office of Pupil Personnel Services at (518) 475-6130 with any questions.
