

Never stop learning.

ADULT CONTINUING EDUCATION CLASSES

To encourage people to become lifelong learners, the City School District of Albany offers the community (anyone ages 18 and over) a variety of continuing education courses taught at Albany High School on Wednesday and Thursday evenings in the fall, winter and spring.

Classes are taught on a wide variety of subjects, including:

- Algebra
- Biology
- Chemistry
- Computers
- Defensive driving
- Home buying
- Sewing
- Spanish
- Upholstery
- Yoga
- Dancing
- And more

Interested in becoming an instructor?

While we welcome the talents of all our community members, biology, Spanish, painting and yoga instructors are needed in particular.
